& Industries, Ranchi. & Jharkhand Small Industries
Association, Ranchi.**

ABOUT THE CONFERENCE

St Xavier's College, Ranchi was started by the Ranchi Jesuit Province of the Society of Jesus, a Christian Religious order founded by St Ignatius Loyola in 1540. The Ranchi Jesuit Province established St Xavier's College, Ranchi (Capital town of Jharkhand) in 1944 to cater the educational needs of the students of Jharkhand, particularly the tribal students. It is an autonomous institution under the University of Ranchi, Ranchi. The college offers courses in Arts, Science and Commerce. It also runs post graduate programmes in a number of arts subjects and commerce besides MCA. There are number of vocational programmes such as Mass communication and video production, Bio-technology, Animation, Insurance Management, Sales and Advertising management, Retail Management, Office Management, BBA and among others. It has been accredited by NAC and has been given 'A' grade. It also holds the status of the college with potential for excellence (CPE) given by UGC.

Ranchi is connected by air and Railway with major cities of India. The weather of Ranchi in February is pleasant though light woollens may be required. The college is located at a distance of 4 KM from the Railway station and 7 km from airport and 200 meters from Firayalal Chowk the heart of the city.

ABOUT THE SEMINAR

The theme of the seminar is 'FDI IN INDIA: OPPORTUNITIES AND CHALLENGES AHEAD'. Invest in India is an initiative to market of India as an investment destination all over the globe, to provide a networking platform to the Indian businesses at the global level and provide information to the international investors about investment opportunities in India. It is the policy of the government of India to attract and to promote the productive FDI from non residents in activities which significantly contribute to Industrialisation and Socio-Economic development. Over the past several years, India has progressively liberalised its FDI policy. Globally at present India has emerged the second most attractive investment destination. The infrastructure sector will be the focus area which also helpful for the success of Make in India scheme of government of India.

The seminar provides an opportunity for decision maker with the discussion and strategies of experts from the field of business, research, academia, policy makers are invited to share their experiences with one another and join the forces to tackle the great challenges of present age.
